

NAME 30 TO INDUSTRIAL COMMITTEE

A 30-member Industrial Committee was announced today by the Gettysburg Chamber of Commerce.

Julian N. Estep, president of the chamber, listed J. Howard Gaines, Western Maryland Railway agent here, as chairman, and said the committee will hold its first meeting Thursday at noon at the Peace Light Inn at a Dutch treat luncheon.

In announcing the committee, Estep said additional committees will be announced in the near future and that it is the plan of the board of directors to include every member of the Chamber in the various committees.

President Estep said decision to place all members of the Chamber on committees was based upon the belief that "the activities of the Chamber lie in the hands of the members. We have in our community numerous men whose ideas, suggestions and participation can make ours the best and most active Chamber of Commerce in the country. Under our new committee setup each member will have an opportunity to share his knowledge and ideas for the good of the community."

Members of the Industrial committee include Chairman Gaines, Jacob C. Britcher, William A. Bigham, John C. Bream, Atty. Eugene V. Bullett, John Caldwell, C. A. Cluck, Parker Cunningham, Dr. J. C. Donley, Philip Dunn, H. L. Fetter, Dr. Roy W. Gifford, Lee M. Hartman, James Hays, A. E. Hutchison, H. A. Jones, William Lentz, S. Blaine Miller, William Musser Jr., Frank Sapp, R. W. Wentz, C. A. Willis, Atty. Charles W. Wolf, Nicholas Yeungert, George M. Zerling, Karl Bankert, Ralph Barley, Dr. J. J. Knox, James Schwenk and Julius Swope.

CHAIN LETTER BOND SCHEME IS OPPOSED

Upper Adams countians who wish to participate in a "series E bond" chain letter scheme are finding their banks unwilling to cooperate, Dale Crum of the Bendersville National Bank reported today.

Crum said that during the last ten days his bank has refused to issue bonds to "about ten persons" who said they wanted them to participate in a chain letter scheme.

Crum said other banks in the Upper County whom he contacted also reported rejecting some persons who, they learned, were seeking the bonds for a chain letter.

Not Permitted

The Bendersville banker said the Federal Reserve and the U. S. Treasury specifically prohibit banks from providing bonds for such schemes and the treasury department reserves the right to reject any application for a U. S. bond which it even suspects might be used in a chain letter scheme.

The chain letters have not only been declared illegal by the post office, but also violates the state's lottery laws, Crum said the information received by the banks from the Federal Reserve reveals.

Crum said that not only is the chain letter scheme illegal, but it does not help the U. S. bond program because those receiving the bonds usually cash them as quickly as possible lest the sender regret his decision and seek to recall the bonds.

This Morning Is Coldest Of Winter

With many unofficial reports of readings of zero and as much as six below in rural areas, the coldest morning of the winter was recorded this morning at The Gettysburg Times Weather Station atop the Times building with a minimum of 8 above zero.

It was the coldest March 9 in Gettysburg since 1943 when the low was 5 above.

The all-time low reading for March came on March 1, 1934, when the mercury dropped to 2 above zero.

This morning was the coldest in Gettysburg since February 2 and 3 of last year when the temperature was 7 above zero.

Orphaned Boy Without Home

The question of temporary custody of Clyde Dale Ohler, 18-month-old orphaned son of Mr. and Mrs. Clyde M. Ohler, Emmitsburg R. 2, who were killed in an auto mishap on the Emmitsburg Rd. March 1, reached an impasse at the Tuesday afternoon.

Paternal grandfather, Chester Ohler, Emmitsburg R. 2,

and Miss Ora Miller, Emmitsburg, a great-aunt, met with Walter Dillon, administrator of the hospital, and Mrs. Robert Rye, near Pittsburgh, an aunt of the child and sister of the deceased Mrs. Ohler.

Both parties were eager to have the child discharged from the hospital, but neither would yield to having the child discharged in the custody of the other.

Dillon explained the position of the hospital, but a verbal battle developed between the principals. Because of their stand, Dillon said the child will remain in the hospital until a legal temporary custody order is secured from the court by one or the other of the parties seeking custody. It was indicated that the order would be sought immediately by both parties.

Author Speaks On WGET Thursday

"What's in a Book?" will be the topic of Miss Virginia Peterson, reviewer, on the "College Speaks" radio program Thursday morning at 8:30 o'clock over WGET. Miss Peterson is recognized for her book reviews in New York newspapers, The Saturday Review and The Reporter. She is an author and lecturer as well. The recorded program is distributed by the National Association of Educational Broadcasters.

President Says U.S. And Latin America Are Friends

By JOHN M. HIGHTOWER
WASHINGTON (AP)—President Eisenhower says relations between the United States and Latin America have reached "an all-time high."

But a growing diplomatic storm with the Fidel Castro government of Cuba provided a sharp exception to the general picture Eisenhower painted in a nationwide television address Tuesday night.

Eisenhower made no reference to Cuba as he reported to the American people on his 15,560-mile tour of four South American countries. Despite the excellent relations he reported, he said there were some notable exceptions.

Firm Partnership

"An even firmer partnership must be our goal," he added.

Shortly before he spoke, Cuba rejected as insulting a statement by Secretary of State Christian A. Herter Monday denouncing implications by Castro that U.S. sabotage may have been involved in last week's explosion of an ammunition ship in Havana.

Herter had called the accusation "baseless, erroneous and misleading," and said it raised questions of the Castro regime's desire for better relations with this country.

SERVICES FOR DR. DEITZ ARE HELD TUESDAY

The Church of the Abiding Presence on the Gettysburg Lutheran Theological Seminary campus was filled Tuesday afternoon for the funeral service for the Rev. Dr. Reginald W. Deitz, member of the seminary faculty for the last nine years, who died suddenly last Thursday night in New York City.

Church officials, faculty, students and alumni of the seminary, former parishioners, former campers and associates in his years as director at Camp Nakwaka, friends and townsfolk gathered to pay their last tribute of respect.

The half-hour service was conducted by the Rev. Dr. Robert W. Koons, pastor of Christ Lutheran Church where Dr. Deitz was a member and vice president of the Church Council. The meditation was by Dr. Harry F. Baughman, president of the seminary, and the closing prayer by the Rev. Dr. Dwight F. Putman, president of the Central Pennsylvania Synod of the United Lutheran Church in America.

ULCA Officials There

Dr. Koons was in charge of the committal service in the Evergreen Cemetery. Six seminary students served as pallbearers. They were David Hoecker, Robert Matthias, James Lau, John Cochran, David Blackwelder and Guy Mehl.

The front of the church was banked with floral sprays from friends and associates of Dr. Deitz.

Among those present were a number of representatives of the United Lutheran Church and many of its boards. This group of official representatives included the Rev. George F. Harkins, from the office of the president of the ULCA; Dr. Vernon Stremke and Dr. Mildred Winter, from the Board of Higher Education for which Dr. Deitz made the trip to New York last week; the Rev. Dr. Edgar S. Brown from the Department of Worship; Richard Sutcliffe of the Press, Radio and Television Division; the Rev. Herman Stuepfle, former pastor of Dr. Deitz here and now associated with the ULCA's Board of Social Missions in New York City; Sister Mildred Winter, assistant secretary of the Board of Deaconesses; Dr. Lawrence Folker, president of the Board of Higher Education, and Dr. Henry (Continued On Page 2)

SOUTHBOUND TOURIST HIT

Herbert H. Housel, 71, Rochester, N. Y., who had lost his way on a Florida trip, paid a fine of \$10 and costs before Justice of the Peace John O. Whitman, Gettysburg R. D., Tuesday evening as a result of an auto accident on the Lincoln Highway.

State police, who brought the charge of failing to yield the right of way against Housel, said he headed west on the Lincoln Highway two miles west of here at 5:25 o'clock Tuesday afternoon when he discovered his error and decided to turn around to return to the town and pick up Route 15.

Housel, according to police, turned into a township road and then backed out in an attempt to turn. As he did his car was struck by a tractor-trailer going west on the Lincoln Highway and driven by Logan Arnold Jackson, 42, Alliance, Ohio. There was no damage to the truck. Damage to the car was estimated at \$80.

Two Youths Sent To Reformatory

James A. Wills Jr., 16, Emmitsburg, and James E. Carbaugh, 19, Smithsburg, were sentenced to two years in the Maryland Reformatory for Males after appearing before Judge P. M. Schnauffer, Frederick, Monday on a charge of breaking and entering.

The pair was charged with breaking and entering the Frederick Ashbaugh Grocery Store, Emmitsburg, January 31. The youths allegedly entered the store through a rear window and stole a pistol and ammunition valued at \$85 and \$474.90 in cash.

Trooper C. J. Todd, Pennsylvania state police, said the two were picked up several hours after the robbery on the road between Emmitsburg and Gettysburg after having obtained a ride as hitchhikers. Both had previous police records.

Three Treated At Warner Hospital

Emma Louise Fogle, 7, daughter of Mr. and Mrs. Floyd Fogle, Taneytown R. 2, was treated Tuesday at the Warner Hospital for a fracture of her right ankle sustained when she slipped and fell on snow.

Forest Cook, 42, Westminster R. 4, received treatment Tuesday for a fracture of his left wrist.

John Richardson, son of Mr. and Mrs. Clair Richardson, R. 1, was treated for a laceration of his left ear suffered from a piece of tin while sledding.

TELLS ABOUT THREE TRIPS THRU RUSSIA

Dr. Dorothy Douglas, formerly of Smith College and now visiting professor at Gettysburg College, was guest speaker at the public affairs dinner held by the Soroptimist Club in the United Church of Christ Tuesday evening.

Thirty members and guests heard Dr. Douglas speak on the status of women in Russia, a country which she has visited three times. She was there first in 1936 and most recently last summer when she traveled with a group of 30 educators and professional people. She found "amazing changes" had occurred in recent years. Her party was permitted to pick their itinerary but only the larger cities could be included for lack of tourist accommodations. They visited in many private homes by the expedient of knocking on doors and asking if they might come in for a few minutes.

"We were well received everywhere and the people were genuinely friendly and eager to talk and question us about life in the United States. We were permitted to go where we wanted but always accompanied by an 'Intourist' guide, usually a woman."

Women In All Occupations

"In 1936 I found the clothing, especially the shoes, to be of very poor quality. Today they are good, not elegant, but good by average European standards. Prices are very high. Food costs are about the same as in the United States but incomes are so much lower. The major part of income must go for clothing and food, but there is some compensation in the fact that they need spend money for little else. Housing is inadequate but cheap, taking only about 4 or 5 per cent of the income."

"Two families often live in one apartment. Health service, maternity care and education through university level are free. Very generous scholarships exist for higher education. Vacation travel" (Continued On Page 3)

PLAN SESSIONS ON EXPLORING

All members of Explorer Posts in the Black Walnut District, all male high school students and all interested adults are invited to attend the Explorer session of the University of Scouting next Tuesday evening at 7:30 o'clock at Gettysburg High School.

Donald Carver, director for the school, announced at Tuesday evening's session that film strips prepared by the National Boy Scout organization to explain the purposes and operation of the Explorer program will be shown next Tuesday evening at 7:30 o'clock and all Explorers and other young men are invited to attend the session.

Crosby Hartzell Heads Exchange

Crosby Hartzell was elected president of the Gettysburg Exchange Club at the regular meeting of the club at the Lamp Post Tea Room Tuesday evening.

Others elected, all of whom will be installed in April, are: Ralph Will, vice president; David Rutledge, secretary; re-elected: Alexis Christman, treasurer; re-elected: Robert Ziegler, Millard Doyle and Merville Zinn, board of control, six-month-term, and Clyde Bream, Ernest Simpson and Robert Snyder, board of control, one year.

A discussion of the forthcoming Exchange—sponsored Builders' Show was held. Prizes for the event, electric fry pans, transistor radios, portable televisions, cameras, portable typewriters and movie cameras, will be displayed in the show windows of the Fiberglass Awning Company, 118 Baltimore St.

LICENSED TO WED

Ervin L. Ridinger and Audrey N. Yingling, both of Gettysburg, have secured a marriage license in Frederick.

Death Brings Senate Truce

WASHINGTON (AP)—The death of Sen. Richard L. Neuberger (D-Ore.) brought a one-day truce today in the bitter Senate battle over civil rights.

Colleagues turned to eulogies of the Oregon senator, and planned to recess afterwards until 9:30 a.m. EST Thursday in respect to Neuberger's memory.

On developments in the civil rights battle to date, Southerners could claim a first-round victory while looking forward to another Thursday in the first major vote.

Yet the outlook still was for eventual passage of a voting rights bill stronger than the Southerners want although not going as far as ardent civil rights backers would like to go.

The Dixie bloc won the initial round with a decision of the leadership Tuesday to call off around-the-clock sessions which had tied the Senate in knots through six all-night meetings.

AUXILIARY'S COMMITTEES ARE LISTED

Committees were announced by the Rev. Harry L. Fehl Jr., president of the Auxiliary of the Adams County Home, at its meeting Tuesday afternoon in the home along the Harrisburg Rd.

The list includes: Activities, Mrs. Ira Henderson, Fairfield; beauticians, Mrs. Fred K. Schwartz, York St.; Mrs. Robert E. Shealer, Mrs. Charles L. Bolinger, Mrs. Jean McClellan Larson; magazine, Miss Irene Wolfe; membership, Mrs. Raymond H. Powell, Gettysburg R. 1.

Needs of the home, Mrs. Mark Stock and Mrs. Ward Eason, both of New Oxford R. 2; reading, Mrs. Sewell Kapp, Carlisle St.; sewing and crafts, Mrs. Walter O. Powell, Gettysburg R. 2; Mrs. Raymond H. Powell, Gettysburg R. 1; Mrs. George W. Reeder, Gettysburg R. 3; Mrs. Paul I. Redcay, Seven Stars; Visitation Day, Mrs. Edna Kuhn and Mrs. Charles E. Kuhn, Cashtown; ways and means, Mrs. Mervin Murray, Gettysburg R. 3; Mrs. Earl Deily, East Berlin R. 2; Mrs. Pauline Crouse, Gettysburg R. 3; Mrs. Wilbur Mackley and Mrs. James Fager, Littlestown, and Mrs. Charles Miller, New Oxford.

Visitation Day June 25

Plans were made to seek more income for the special patients fund designed to purchase bedside articles for the comfort of those guests at the home who are bed-fast. A stainless steel tray, glass and water bottle already purchased from the fund was shown.

Mrs. W. E. Jordan reported the beautician work since the holidays was carried on by Mrs. Martha Wood. Mrs. Powell reported that at present 68 churches, 36 clubs, six fire companies and 125 individuals are members of the auxiliary. She said that any individual or organization may join by sending (Continued On Page 3)

Nixon, Kennedy Set New High In New Hampshire

By RELMAN MORIN
MANCHESTER, N. H. (AP)—An avalanche of Democratic votes in the New Hampshire primary—plus some Republican write-ins—swept Sen. John F. Kennedy closer to the Democratic nomination for president today.

But New Hampshire Republicans were jubilant, too, as Vice President Richard M. Nixon surged past President Eisenhower's record vote of 56,464, set in the 1956 primary.

With the state's entire 300 precincts reported from Tuesday's primary, the Massachusetts senator polled 42,969 votes in the Democratic preferential poll. This more than doubled the total any other Democratic presidential aspirant received in other years.

Kennedy's only opponent, Paul Fisher, Chicago manufacturer, got 6,784 votes, and there were 375 written votes for Sen. Stuart Symington of Missouri.

Smashes Old Marks

Kennedy's total with one precinct outstanding was 42,969. The tally smashed all previous marks in the Democratic "beauty contest." In 1956, Sen. Kefauver (D-Tenn.) and Adlai Stevenson together pulled 25,000 votes. Four years earlier, after an even hotter contest, Kefauver and former President Truman polled a combined vote of 35,000.

Tuesday's election was the first of 16 state primaries in this presidential year.

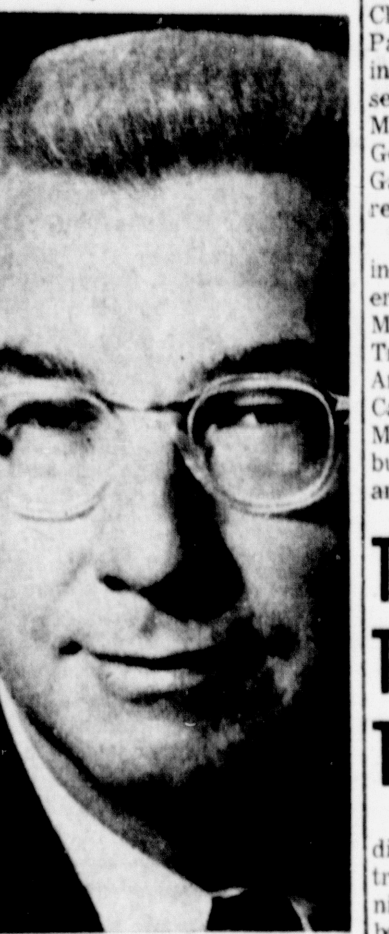

In his spectacular sweep, Kennedy also tore through the customary 2-1 margin held by Republicans in New Hampshire. The percentage spread in this year's election appeared to be about 55-45 for the Republicans.

A break-down of the returns from New Hampshire's 13 cities showed that Kennedy pulled more than twice as many votes there as Kefauver had in 1956. Kennedy received 28,332 against Kefauver's 12,085 four years ago.

The cities, although largely (Continued On Page 3)

American Music Program For DAR

A program on American music will be presented Friday afternoon at 2 o'clock at the meeting of the Gettysburg Chapter of the Revolution at the home of Mrs. Mark A. Ecker, Springs Ave.

Mrs. M. Scott Moorhead, Carlisle St., will speak on "American Music," with the talk to be interspersed by selections presented by a number of musicians. They will include: Mrs. Harold Closson, piano soloist; Edward Palmer, bass-baritone; and an instrumental trio comprising Joseph Winkler, cellist; Charles MacDonough, violinist, and George Boyer, pianist. David McGaughy will present a dramatic reading.

Hostesses for the meeting will include Mrs. Eckert, Mrs. Robert Willis, Mrs. Mark K. Eckert, Mrs. W. C. Sheely, Mrs. Fred Troxell, Mrs. Wilbur Plank, Miss Anna Cairns, Mrs. James P. Cairns, Mrs. Edwin Schadel, Mrs. Dorsey Jeffries, Mrs. Wilbur Baker, Mrs. Joseph Banks and Mrs. Marvin Pond.

TRAVEL GROUP TO DISTRIBUTE TOWN FOLDERS

Purchase of 30,000 folders for distribution throughout the country was authorized Tuesday evening at a meeting of the Gettysburg Travel Council at the VFW home. Cost of the printing plus postage will be approximately \$1,000.

They will be the four-color folders adopted a number of years ago by the Chamber of Commerce and later purchased by the Travel Council. Distribution of the folders is through responses to requests from travel agencies throughout the U. S. and requests by individuals for information concerning the town. Five thousand were sent out last month.

Eight members of the Travel Council reported plans to attend a regional meeting in York March 14 when final decision is to be made on the printing of a South Central Pennsylvania folder to promote visitation to the Gettysburg, Carlisle, York, Lancaster, Hershey area. More than 100,000 of the folders will be distributed through the turnpike booths set up by the state Commerce Department. Those planning to attend include Travel Council President Walter B. Lane, Vice President Kenneth Dick, Allen Larson, Nicholas Melgakes, Ralph Arendt, Mark Starklin, Marshall Tuckey and William Warren.

Report On N. Y. Show

Reports from William Ayre, LeRoy Smith and Charles Bender who represented the Travel Council at Pennsylvania's booth at the New York tourist show led to decision to seek a larger representation in next year's show there.

Plans for participation by the Travel Council in the visit here in April and May of the Reading Railroad Gettysburg Tour were outlined. The activities include a "walking tour" to the National Cemetery for those excursionists wishing to make the trip.

William Warren and Marshall Tuckey were named as a committee to investigate the possibility of placing "Come to Gettysburg" signs within 15 miles of either side of the Gettysburg interchange of the Pennsylvania Turnpike.

RENEWS HIS RIGHT TO BUY COUNTY LAND

Morton Kalus, Baltimore builder, is still much interested in purchase of county land lying between the Eisenhower School and WGET, it was learned today.

Kalus signed a new agreement with the county commissioners while posting \$200 to retain an option to purchase the land for \$80,000. The new deadline for the option is May 1. A prior option expired March 1.

The commissioners received the signed option at their meeting this morning at the courthouse.

Discuss Courthouse Plans

Also on the schedule this morning was discussion on plans of the commissioners for renovation of the second floor of the courthouse. The plan will include the renovation of the court room to improve its acoustics and the placing of air conditioning there, but details were far from complete, the commissioners noted.

In the discussion, it was indicated that possibly one answer to the acoustic problem will be to make the court room smaller. The space thus gained may be used for additional offices on the second floor.

While no final decisions were made, discussion indicated the possibility of lessening the size of the court room this year in order to meet the request of several grand juries and the court that "something be done about the acoustics" and then "rough in" space for several offices, with the offices to be completed in another year.

This afternoon the commissioners plan to set up a permanent advisory committee for the county home. Originally the organization had been scheduled for last Thursday, but the snow forced postponement.

BULLETINS

WASHINGTON (AP)—President Eisenhower has decided against having U. S. planes make high-level flights to Berlin in defiance of the Soviet Union's objections, Secretary of State Christian A. Herter disclosed today.

Herter said the United States, Britain and France are fully agreed they have a right to make flights above 10,000 feet, which Russia insists is an agreed ceiling. But, he said, the U. S. government has now decided there is no technical necessity for such flights.

LOGAN, W. Va. (AP)—A rescue crew has worked its way behind the fire that has trapped 18 men four miles in a coal for more than 24 hours.

How they did it wasn't known, but an Island Creek Coal Co. spokesman said the fire was definitely under control and had been bypassed, perhaps by means of a tunnel parallel to the gas and fume-filled section of the mine.

HAVANA (AP)—Cuba Tuesday night rejected as "insulting" U.S. Secretary of State Christian A. Herter's condemnation of Fidel Castro for his implication that American officials were responsible for last Friday's munitions ship explosion in Havana harbor.

Castro's propaganda apparatus today loudly hailed Foreign Minister Raul Roa's sharply worded statement rejecting Herter's protest. Another triumph for Cuba's "national dignity," said pro-government radio and TV stations.

DEATHS

Miss Miriam Kuhn

Miss Miriam Estelle Kuhn, daughter of the late John Randolph Kuhn, a native and lifelong resident of Brooklyn, N. Y., died there Sunday evening. Death was the result of double pneumonia that followed an attack of influenza.

Miss Kuhn, who taught in Brooklyn public schools for many years until her retirement about 12 years ago, spent many vacations in East Berlin as a young woman, accompanying her father, an East Berlin native, who maintained a farm home there. She was a member of Queen of All Saints Catholic Church, Brooklyn, where funeral services were conducted with a requiem mass this morning. Burial was (Continued On Page 2)

FIRST PEACH SPRAY LETTER IS SENT OUT

A sure sign of spring appeared Tuesday when County Agent Frank Zettie issued "Peach Spray Information Letter No. One," reminding fruitgrowers that it is time to place the dormant spray on peaches. He also announced there will be no apple dormant spray letter this year.

The dormant spray on peaches is designed to prevent leaf curl, reduce bacterial leaf spot and brown rot, and control San Jose and European Lecanium scales and red mites.

The spray is to be applied before the buds start to crack but when the temperature is above freezing.

His Recommendations

To prevent leaf curl and reduce bacterial leaf spot, the recommended spray is copper sulphate and fresh spray lime, with six pounds of each to be used per 100 gallons of spray in dilute solution or eight pounds of each in concentrate solution. For the control of leaf curl only, two pounds of Ferbam for dilute mixtures for six pounds for concentrate may be used or one quart of regular liquid DN may be used in a dilute spray.

To control scales, mites and leaf curl the recommendation is: For dilute sprays, two pounds of copper sulphate, three pounds of fresh spray lime and two gallons of a miscible superior oil. For concentrate sprays the amounts are three pounds of the copper, 4 1/2 pounds of the lime and three gallons of the oil.

FARMERS ASK QUIGLEY AID ON NEW PLAN

Five Adams County farmers were among 175 from throughout the state who met with their congressmen at Washington Monday and Tuesday under a program sponsored by the Pennsylvania Farmers Association.

Those representing the Adams County Farmers Association who met with Congressman James Quigley were: Walter B. Fidler, Aspers R. 1; Stuart A. Lucahaugh, Hanover R. 5; Mrs. Margaret A. Garretson, Aspers R. 1; Mrs. Pauline E. Crouse, Gettysburg R. 4, and Paul Lerew, York Springs R. 1.

John Pitzer, Aspers R. 1, president of the association, said the local delegation urged Quigley to seek a lower support price for wheat, declaring that it will reduce the nation's burden of storage for surplus wheat, mean a more favorable price for feed for livestock, dairy and poultry producers of the state and discourage excess wheat production. The plan calls for reduction of the price support by 50 cents to \$1.30 a bushel and elimination of all acreage allotments and marketing quotas starting with the 1961 wheat crop.

The congressman was also asked, according to Pitzer, to support House bills which require approval of farm labor regulations not only by the secretary of labor but also by the secretary of agriculture. The association members opposed extension of minimum wage and maximum hour provisions to cover farm workers. Pitzer said the farmers feel that good farm workers now earn more than the proposed minimum wage "but proposed legislation which would require farmers to pay a guaranteed hourly rate, regardless of the productive efforts of the worker, would be ruinous."

TRAVEL GROUP

(Continued From Page 1)

The group voted to spend "up to \$500" toward the re-enactment of Pickett's Charge here July 3-4.

Plans were made to print 30,000 copies of The Gettysburg Visitor, a newspaper listing the names of all paid up members and their location, plus information about activities in Gettysburg. The publication will be distributed at the various tourist places in the town and will be printed by April 1. William Shoemaker reported on the current membership drive.

Defense Secretary Injured In Crash

WASHINGTON (AP) — Secretary of Defense Thomas S. Gates Jr. was injured slightly in an automobile collision today.

The cabinet member was en route from his home to the Capitol where he was scheduled to have a breakfast conference.

Gates was riding in a government-owned car driven by a Defense Department chauffeur.

Gates received a wrenched shoulder. He was reading a file of papers, with his head down, at the moment the cars came together at 7th St. and Independence Aves. S. W., about a quarter of a mile from the Capitol grounds. Gates proceeded to his office in the Pentagon, where a doctor examined him.

ry Bagger, president of Mt. Airy Seminary.

Dr. Baughman's Meditation In his meditation, Dr. Baughman used verses from the 11th chapter of Hebrews in which he pointed out that Paul had written about God's people as a member of a family. "Heroes of Old Testament history and the saints of the New Testament were members of God's family," he said.

"Their experience of this faith differed. Some tasted more of its blessing and promise in the life that now is than did others. This the writer of the letter recognized and so he said, 'These died in the faith, not having received the promises.' But then he added shortly, 'God having prepared some better thing for us, that they without us should not be made perfect,' thus testifying to the unbroken unity of the family of God, to the incompleteness of this earthly experience, and the assurance of something better which God has prepared for all His family.

"This assurance comes to comfort us today. When a young life is cut off in the midst of its plans and promise, we are inclined to ask 'Why?'

Not All Answers Now

"That question may not be answered this side of the day when we see no longer darkly through a glass, but face to face. Certainly, there are intimations of answer in the Word of God. We may find some such suggestions of answers as we look at the life and experience of our Saviour, in whose service our colleague gave himself, expending his energies without stint. Jesus looked at life—its vicissitudes, its threats, its disappointments, and what the world calls defeat—and in the face of all these, in their most extreme and threatening aspect. He was able to talk about an inner peace and to make His last will and testament in these words, 'Peace I leave with you; my peace I give unto you.'

"He grasped the possibility that His mission was not to solve the riddles of life that assail the mind, but to glorify the name of God as whatever cost and to accomplish His work at whatever price. And so He was able to say—this young man crucified at the age of thirty, His life ended in the midst of its richest promise—'It is finished.' The cross became the means of His larger victory.

"Reading this testimony, we may look at the mysteries which surround us and turn away from asking, 'How can we explain this experience?' to asking, 'How can I use this experience for the glory of God and the accomplishment of His purpose?' And when we do so look at life, we will not be concerned, as we are now, about the broken fragments of our plans and dreams, the pieces we are not able to put together. We will feel that in the hands of God, the Master

Princess Margaret Will Wed Commoner May 6th

LONDON (AP)—Princess Margaret will be married at Westminster Abbey on May 6 with the archbishop of Canterbury officiating. Buckingham Palace announced today.

Prince Philip, husband of Queen Elizabeth II and Margaret's brother-in-law, will give the bride away.

The palace announcement did not mention a title for Margaret's fiancé, former society photographer Antony Armstrong-Jones. It is generally expected that he will be elevated to the peerage, and probably will be made a marquess, before the wedding.

Morning Wedding

The announcement from Clarence House, London home of Margaret and Queen Mother Elizabeth, said it would be a morning wedding, at 11:30.

The bridesmaids and best man were not named. Margaret's sister, the Queen, and Prince Philip also were married at the Abbey on Nov. 20, 1947, with the archbishop of Canterbury, Dr. Geoffrey Fisher, officiating. He is the highest prelate of the Church of England.

The marriage of Elizabeth, then a princess, was broadcast. The British Broadcasting Corp. wants to televise Margaret's wedding, and Britain's commercial television network probably will ask to do likewise.

The marriage will take place two and a half months before Margaret's 30th birthday, which falls on Aug. 21. Armstrong-Jones was 30 on Monday.

FOURTH YANK IS VICTIM OF EARTHQUAKE

RABAT, Morocco (AP) — The number of known American dead in the Agadir earthquake rose to four today with the death of No-rene Bauer, 16, of Placentia, Calif. The total death toll has been estimated as high as 12,000.

She was with her parents, Mr. and Mrs. Werner Bauer, on the top floor of the Bella Vista Apartments when the quake struck, demolishing the building.

Bauer and the girl were pulled alive from the wreckage, and the body of Mrs. Bauer was found March 2.

The father and daughter were flown to the U. S. Naval Hospital at Port Lyautey where the girl died, hospital authorities said. Death was caused by a cerebral blood clot. Bauer is an executive of Login International Corp., of San Francisco, which operated fruit-juice concentrate and fish-meal plants in Agadir.

Two Are Rescued

CASABLANCA, Morocco (AP)—A Moroccan carpenter and his 10-year-old son owe their lives to a sturdy workbench that sheltered them when the earthquakes shattered Agadir.

The two were pulled from the wreckage of their home Tuesday after having been trapped eight days. They were wedged beneath the workbench that held the carpenter's lathe.

The boy directed the rescuers, yelling instructions from beneath the wreckage.

Officials said that a search was still in progress at the ruins of the Hotel Saada, where some men thought they heard moans Tuesday.

FATHER FINDS CHILDREN HURT

POTTSTOWN, Pa. (AP)—Leon Zeigler came upon three children lying injured and helpless in the snow on a road near his home Tuesday. Two of the youngsters were his own, Janet, 14, and John, 7.

Their companion, Shirley Schott, 15, told this story: They were struck by an automobile as they were walking home from ice skating.

The two men in the car asked:

"Are you hurt?"

Shirley told them: "Yes, go get help." She said she asked the men to stop and get aid at her house nearby.

But the men never returned. Zeigler found the children about 15 minutes later.

All three were taken to Memorial Hospital. Shirley has possible internal injuries. Janet a fracture of the left knee and John a fracture of the left leg and a broken nose. All were reported in satisfactory condition.

Builder, the design may be completed. He has "prepared something better" for us. If we look at life's experiences only from this side, from the human point of view, our questions may continue. But if we look at that which is beyond in the light of His word, we may understand the blessed truth. 'Eye hath not seen, nor ear heard, neither hath it entered into the mind of man to conceive the things which God hath prepared for them that love him. It is possible for a life of rich promise and activity and plans to be interrupted to receive the better thing which God has appointed for all His family, and which 'eye hath not seen.'

The services which were held at 2 p.m. were under direction of the Bender Funeral Home.

SPANIARDS RESCUE YANKS

GRANADA, Spain (AP) — A Spanish rescue team fought its way through a blinding snowstorm today to bring to safety 10 of 24 survivors aboard a U. S. Navy plane that crash-landed high in the Sierra Nevada. No one was killed in the crash.

The 10 were reported unhurt although previous reports, brought down the mountain Tuesday night by two other survivors after an eight-hour struggle, had said all of the remaining 22 aboard the four-motor plane were injured.

Only five of the 12 still to be brought down are injured, the rescue team reported, and their injuries are not serious.

Rescue teams from all of the surrounding villages had battled throughout the night in an effort to reach the big C-54, which crash-landed in heavy fog while en route from Naples, Italy, to the U. S. naval base at Rota, Spain.

The crash happened in one of the most rugged and inaccessible sections of the Sierra Nevada.

Man Arrested For Exchange Robbery

NEWARK, N. J. (AP)—The FBI announced today the arrest of Louis B. Walker in Pine Bluff, Ark., for the \$19,052 stickup of a Mc Guire Air Force Base post exchange.

Walker, who lives in Philadelphia with his wife and two children, was picked up last night while visiting relatives in Arkansas. He is being held on robbery charges.

The Mc Guire holdup was staged on Feb. 16, 1960. In addition to cash, the robber escaped with several pieces of jewelry.

The manager of the PX, Peter Lynn, 52, told authorities two men committed the robbery after he closed the PX.

NEW YORK (AP)—Democratic state Sen. Jacob H. Gilbert has won a landslide victory in the race for U. S. representative from the 23rd District in the Bronx.

LAWHEAD IS
ELECTED NEW
L-TOWN COACH

Ronald M. Lawhead, 28, a graduate of Shippensburg State College in 1958, was elected Tuesday evening by the Littlestown Joint School Board as the new head football coach at Littlestown High School. He succeeds Wilbur Gobrecht, who resigned some time ago to accept a position on the coaching staff at Dickinson College.

Lawhead, a native of Altoona, is now head line football coach and assistant wrestling coach at Walter Johnson High School, Bethesda, Md.

The new coach graduated from Altoona High School in 1950 where he played for three years on the football squad as back. He captained the team in his senior year.

Navy Veteran
He served in the navy from 1951 to 1955 and then entered Shippensburg. At Shippensburg he played offensive end and defensive tackle and served as captain. He was selected to the all-conference State College squad for three years and was chosen to the all-state State College team two years. Following his graduation he joined the coaching staff at Shippensburg High School, transferring to Bethesda last year.

In addition to his duties as football coach, Lawhead will teach social studies at Littlestown. His salary was not revealed.

Mrs. Lawhead is the former Miss Patricia Long of Littlestown. The couple has no children.

REDEEMER'S
ACTIVITIES
ARE PLANNED

Spring activities of the Sunday School of Redeemer's United Church of Christ were planned at a meeting of the officers and teachers on Monday evening in the church social hall. The opening prayer was offered by the pastor, the Rev. Glenn Flinchbaugh. Mrs. Gene A. Hankey, secretary, gave her report.

It was announced that Mrs. Donald C. Feeser has completed plans for the annual Easter program by the Children's Division on Palm Sunday, April 10, during the 9:15 a.m. Sunday School hour in the adult school room. The following committee was appointed to purchase Easter flowers for the children: Mrs. Miles R. Fasnacht Jr., Mrs. George A. Stoner, Jr. and Mrs. Victor Reynolds. Tentative plans were discussed to have a fire drill in the entire Sunday School in April on a Sunday when the weather is permissible.

The Rev. Mr. Flinchbaugh announced that the new quarterly teaching material has arrived and may be picked up by the teachers. The annual World Service envelopes and flyers will be distributed in the Children's Division on Sunday March 20, and the envelopes will be collected again on March 27. Preliminary plans were announced for the annual Children's Day program to be presented on Sunday, June 19. The program will be arranged by Mrs. Donald Feeser. The officers and teachers will meet again on Monday, April 4, 7:30 p.m.

A report showed the Phi Kappa Nu fraternity painted the living room and dining room.

The report of Mrs. Ira Henderson showed that on February 10 the Gettysburg WCTU served fruit and candy; February 11 Brownie Troop 62 of Gettysburg provided favors and minis for Lincoln's birthday. Also on February 11 Barbara Feigle, president of the Phi Mu sorority, and the pledges of that sorority painted and decorated the downstairs living room, in the Women's Building; February 12 the Junior Chamber of Commerce provided six bushels of apples; February 13 the Ladies Aid Society of the Pines Lutheran Church conducted the February birthday party for the guests and gave presents to those who had birthdays during the month; February 14 Valentine favors were received from East Berlin Girl Scout Troop 5. Also on February 14 the Youth Fellowship of A.M.E. Zion Church provided handmade valentines.

February 22 Girl Scout Troop 7 of Gettysburg provided favors and mints for Washington's birthday. February 21 Barbara Hanky and members of the Youth Fellowship of the Gettysburg EUB Church held services at the home.

February 28 The Maude Miller Bible Class of St. James Lutheran Church provided fruit for the guests in the annex.

March 15 Mrs. Clark Staley's Elizabeth Circle of St. James Lutheran Church will visit the home and the March Birthday party will be provided by the Mothers' Class of St. James Lutheran Church.

370 Attend Crusade
At Centenary EUB

There were 370 persons in attendance Tuesday evening at the evangelistic crusade held in Centenary Evangelical United Brethren Church, Biglerville. Dr. Bill Rice spoke on "Broken Towers and Bloody Altars." There have been 20 decisions for Christ thus far in the campaign.

Dr. Rice announced that Friday night will feature a western service with colored slides of the ministry for deaf and crippled children at the Bill Rice Ranch near Mifflintown, Tenn. Saturday night will be youth night and the film, "Danger Trail," will be shown. This is a sound-color film produced by the Baptist Film Co. on the Rice ranch featuring an illustrated message by Dr. Rice. Plans are being made to show the film at the 7:30 p.m. service and at 9 p.m. The services on Sunday will be held at 9:30 a.m. and 7:30 p.m.

Democratic, gave Nixon 19,362 votes, topping Eisenhower's total of 13,556.

The Massachusetts senator even pulled some Republican votes. The dimensions of Kennedy's victory took on added significance by comparison to the last two New Hampshire primaries.

In the 1952 primary, the Republicans cast about 77 per cent of the total vote. Four years later, they racked up 65 per cent. The spread in Tuesday's election was about 55-45 per cent between the two parties, with the Republicans on top.

GRID COACH,
ART TEACHER
SELECTED BY
SCHOOL BOARD

Ronald Lawhead, Altoona, a Shippensburg State Teachers College graduate, was elected as the new football coach and Robert C. Musser a vocal and instrumental music instructor, following recommendations of the teacher committee, Wilbur E. Mackley, chairman, at the monthly meeting of the Littlestown Joint School Board Tuesday evening in the office of the supervising principal, Paul E. King, at the high school.

Mr. Musser, of Harrisburg, will graduate from Lebanon Valley College in the spring and will assume his duties with the beginning of the 1960-61 term.

Salaries of the two new instructors were kept "secret" by the board.

The authority board met at the cafeteria on Tuesday evening to open bids for the proposed new high school building, the results of which will be announced in the near future.

List Tuition Rates

Rates of tuition as approved by the state Department of Education were announced by Supervising Principal Paul E. King and they are \$324.81 for the high school and \$239.69 for the elementary school.

The principal's report revealed that 119 days had been taught at the close of school on February 29. Activities for the month include state employment general aptitude tests given to seniors on February 10; the junior high Valentine party on February 13 when Elmer W. Gall, Dorothy Crabbs and James L. Rhoades were supervising chaperons; Founders' Day was observed at the PTA meeting.

Eighty-eight were registered at the preschool registration and it is estimated that 120 pupils will begin First grade in September; the FHA held a Buddy Deane Hop on February 27; national education development tests were given to all Ninth graders on Tuesday; five Seniors were recommended for state scholarship examinations to be held on May 6; Wilbur E. Mackley, Frank E. Basehor and Paul E. King attended the American Association of School Administrators sessions in Atlantic City; the student council has arranged for special devotional Lenten services each Wednesday morning during the Lenten season; the basketball season closed with Littlestown winning the Adams County Division of the Adams-Franklin League.

Reports Presented

Principal King announced that the Easter vacation will begin at the close of school sessions on Holy Thursday. The report of school nurse Brenda B. Walker, presented by the principal, revealed 13 home visits; 187 first aid treatments; with four requiring further treatment by physician and one referred for x-ray. Hearing tests are being conducted at Rolling Acres Elementary School. The general health of the pupils is good.

The report of school treasurer Bernard W. Dutterer revealed total receipts for February as \$22,933.26; expenditures totaling \$27,693.82 were as follows: general control \$120; instruction, \$19,831.48; coordinate activities and auxiliary agencies, \$2,045.68; operation of plants, \$3,437.58; maintenance of plants, \$1,505.68; fixed charges, \$753.40.

Bernard W. Dutterer, chairman, gave a building and planning report on final approval of the new proposed high school building. A maintenance contract for the Minneapolis Honeywell Company, covering all temperature and heating controls at Rolling Acres, was approved, starting July 1, at an annual cost of five hundred dollars per year.

Fill Board Vacancy

Laverne Worley was given the oath of office of school director by President Dale W. Starry, becoming a member of the Union Twp. board to fill a vacancy on the board. Bills and salaries were approved.

A-F Dinner-Meet
Set For March 29

The annual dinner-meeting of the Adams-Franklin Scholastic Basketball League will be held Tuesday evening, March 29, at 6 o'clock in the York Springs High School cafeteria.

Announcement will be made at that time of the all-star team selections.

Arendtsville Lists
Baseball Meeting

A meeting of the Arendtsville Baseball Club, to which all interested persons are invited, will be held Friday evening at 8 o'clock at the Arendtsville Garage.

Plans for the coming season will be discussed and other important business transacted.

FARM GROUPS
CONVENE HERE

The Upper Adams Young Farmers Tuesday night were guests of the Gettysburg Young Farmers Association at a joint meeting held in the Gettysburg High School. The Upper Adams group invited the Gettysburg unit to meet with them at Biglerville High School in October.

Roy Weaver, president of the Gettysburg club, and Elliott Schlosser, president of the Upper Adams group, jointly presided.

John Epler, Eastern States field crops fieldman, spoke on replacement for heptachlor in controlling insects on forage crops.

The material has been banned as a result of an investigation by the U. S. Food and Drug Administration into tolerances of humans to the spray. One byproduct of the material, he said, is heptachlor-epoxide which can build up in fat tissue.

Plan Field Trips

He recommended use of methoxychlor to replace heptachlor in combating spittlebug and alfalfa weevil, using three quarts per acre. Malathion may be used for a second dosage if needed, Epler said.

Gettysburg Young Farmers were reminded of a field trip to Franklin County starting at 7 o'clock Monday morning from the Gettysburg High School. Those who plan to make the all-day trip to Baltimore March 22 must register by Monday.

Present at the meeting on Tuesday, in addition to President Starry were Directors Bernard W. Dutterer, George S. Worley, Laverne Worley, Karl P. Bankert, Fred Hartlaub, Wade H. Brown, David S. Kammerer, John W. Schwartz, Bernard Hess, Lloyd E. Crouse, Glenn Bowers, Richard A. Maitland, Ray T. Harner, Rex Maddox, Wilbur E. Mackley, George W. Strevig, Secretary Henry E. Waltman and Principal King.

Town Board Meets

The Littlestown Borough Board of the Littlestown Joint School System met Tuesday evening at the high school building for the March session. Directors in attendance were President Karl P. Bankert, who presided, Wilbur E. Mackley, Henry E. Waltman, Lloyd E. Crouse and Richard A. Maitland and Luther W. Ritter, secretary.

Receipts were from Carl S. Menchey, Adams County recorder, one per cent real estate transfer tax for February, \$217.31; LeRoy W. Bish, tax collector, real estate taxes, \$348.60, and per capita taxes, \$189; from the Commonwealth of Pennsylvania, \$74,777.92 and \$301.95. Expenditures were to LeRoy Bish, commission on taxes collected, \$25.18 and \$26.21; Littlestown Joint School System, \$18,755.83. The board will meet again on Tuesday, April 12.

At Fort Knox

Joseph Elwood Shreve, son of Mr. and Mrs. Max Shreve, Gettysburg R. 3, enlisted in Howitzer Battery, Second Reconnaissance Squadron, 104th Armored Cavalry, Monday night for three years. He will take six months active duty training at Fort Knox, Ky. Then he will return to the local National Guard unit for three and one half years.

FRICK AGENTS
SEE NEW LINES
AT MEETING

Salesmen of the farm machinery division of Frick Company from throughout the east met in Waynesboro today for a two-day conference at the Anthony Wayne Hotel and the Frick factory. More than 25 men represent areas as far separated as northern New York and Alabama.

The purpose of the conference is to introduce half a dozen new lines of farm and sawmill machinery which are being added under the expansion program now being undertaken by Frick Company. Representatives of various manufacturing firms who are supplying the new equipment demonstrated and explained it by means of motion pictures and lectures.

At four o'clock Friday afternoon a parade will start at the center square in Waynesboro and proceed to the Frick plant, as a means of showing the new equipment to the public. The Waynesboro Junior High School will provide music.

Dinner Tonight

The conference will start with a get-together dinner to be held in the Rotary room of the Anthony Wayne Hotel at 5:30 o'clock tonight. Welcoming remarks will be made by John M. Seabrook, chairman of the board of Frick Company, and by William H. Aubrey, president of the firm. At the close of the dinner Arnold Roschli, vice president, and William F. Ficken, sales manager of the farm machinery division of Frick Company, will explain to the salesmen a revised compensation plan under which the new equipment will be handled. Announcement of a sales contest will also be made.

The mai sessions will get under way at the hotel at 8 o'clock Thursday morning. The discussion will center around the new remote-control sawmill carriage and accessories which have opened a new day in the lumbering industry. This equipment not only saves labor but increases accuracy and doubles or redoubles the production of the sawmill.

O. D. Good, chief engineer of the farm machinery division of Frick Company, will explain the operation of the new sawmill carriage.

O. D. Good, chief engineer of the farm machinery division of Frick Company, will explain the operation of the new sawmill carriage.

The market appeared to be helped by a published statement of S. Clark Peise, president of the Bank of America, that he sees no reason to change his earlier expectations of a good business year.

BRISK STOCK RALLY

NEW YORK (AP)—The stock market yanked a lot better today than at any time in at least the last eight sessions.

A brisk little rally got under way shortly before noon, sending an already steady market generally higher. Electronics, steels and motors paced this advance. The market appeared to be helped by a published statement of S. Clark Peise, president of the Bank of America, that he sees no reason to change his earlier expectations of a good business year.

"Women in Russia do all kinds of work as common building laborers, machine operators, doctors, engineers, etc. Seventy per cent of Russia's doctors, 35 per cent of her engineers and 50 per cent of her university professors are women. There is no discrimination in salary or status between men and women."

Dr. Douglas said she was impressed by how "avidly" the Russians are reading books. Books are read everywhere—in parks, on elevators and at every opportunity. By contrast they find their newspapers very dull and uninteresting. Religion is tolerated but certainly not encouraged. No Sunday School teaching or missionary work is allowed.

The dinner was arranged by the Public Affairs committee with Mrs. Walter Keeney, chairman, assisted by Mrs. Guyon E. Buehler and Mrs. Thomas C. Brenner. Mrs. Buehler acted as toastmaster. The invocation was given by Mrs. Keeney and group singing was led by Mrs. Sizer Burton.

Today's Talk

CARRY ON

Life is a process, and its corner-
stone is courage. Constant wis-
perings keep telling us to be alert,
to face the facts, and then to
carry on, without fear and full of
hope and confidence. All about
us are those who silently leave
us, but they leave the key to cour-
age so that we may go the route
without complaint.

All about us are friends who
have tested their mettle in clear
vision, and so we are guided over
all the rough spots to many a
spiritual landing where others will
be waiting our greeting—that flag
of confidence to carry on—an un-
fading symbol that has cheered
us all to paths of peace and quiet
assurance.

Under the glass of my work
desk are these frequently quoted
words by the poet Celia Thaxter.
"The sunrise has never failed us
yet." That saying it itself is suf-
ficient assurance to give us new-
ness of life.

I recall when the two words—
carry on—became a popular ex-
pression. It would be well if that
could make them alive to every
wind and voice. What a challenge
they both present!

When most discouraged we can
call on a stalwart God to give us
new hope and new cheer. What
little it takes, at times, to lift us
to high ground where the bigness
of great hearts cries out like
flames in the night. Carry on!
Leave all fears behind!

Tomorrow Mr. Adams will talk
on the subject: "A Gentle Woman"

HOPE AND FAITH
Hope's the light of morning;
Faith's the star of night;
Hope it is that gives us
Strength to face the fight.

Then if things go badly,
Filled the day with fears,
Faith at evening whispers
Tales of brighter years.

Hope at morning sends us
Out to face the fight;
Faith it is that leads us
Bravely through the night.

ALBANY, N.Y. (AP) — A bill
that would permit teachers to
spank unruly pupils was before
the state Senate again today. The
measure, which differs from the
1929 version vetoed by Gov. Nel-

bly approval Monday night by a
104-41 vote. The measure spec-
ifies that teachers would not be
allowed to use force to control a
pupil unless previous unruly acts
by the pupil had been reported to
school authorities.

WANTS TO DO
SOMETHING
ON ERRORS BY
ARCHITECTS

HARRISBURG (AP)—Gov. Law-
rence thinks there are too many
errors being made in the design-
ing of General State Authority
projects and that something ought
to be done about it.

His comments sparked a lengthy
discussion of the matter at the
GSA board meeting Monday.

"To me this is overdue and I'd
like to get some sound advice
from someone on how to correct
the situation," the governor de-
clared.

Errors By Architects
He said there have been numer-
ous instances where errors made
by architects have had to be cor-
rected at additional expense later.
A. F. Johns, the agency's di-
recting engineer, said that com-
pared with other similar agencies,
the GSA's percentage of architec-
tural errors is not too high.

At the insistence of Lawrence
and Aud. Gen. Charles C. Smith,
Executive Director A. J. Caruso
and his staff were told to study
the situation thoroughly and re-
port to the board's Architects Com-
mittee.

Suggests Tally
Smith suggested one way to cor-
rect the situation might be to keep
a tally of all errors made by
architectural firms.

The board also voted unani-
mously to reduce from 4 to 1 per
cent the amount set aside for in-
terest on projects already in the
design or construction stage.

The action makes available an
additional \$3,175,480 for the agency
work. Sen. Charles R. Weiner (D-
Phila.), Senate Democratic floor
leader, said he will call a meet-
ing sometime next week of the
board's Priority Committee to de-
cide how the extra money will be
spent.

Coal-Fired Heating

Under the 1949 law setting up
the borrow - and - build agency, 4
per cent of the estimated con-
struction cost of a particular pro-
ject is set aside for interest. It
was estimated that more than sev-
en million dollars has been accu-
mulated and pumped back into
new construction under this plan
since 1949.

Other developments at the meet-
ing:

New bond issue—The Authority
fixed June 7 for receiving bids at
Harrisburg on sale of a 25-million-
dollar bond issue.

Coal heating plants—The board,
at the suggestion of Smith and
Lawrence, reaffirmed a previ-
ously adopted policy that GSA-built
projects have coal-fired heating
systems only.

Joseph W. Sullivan was elected
to head the Emmitsburg Base-
ball Club at an organizational
meeting held Sunday in the local
VFW. Other officers elected were:

Ted Topper, secretary-treasurer,
and J. Norman Plas, business
manager. All officers were elected
pro tem. It is hoped to be able
to elect remaining officers at
future meeting. The entry of the
local club in the Pen-Mar League
was discussed but action was de-
ferred.

The Emmitsburg Girls' 4-H Club
held its regular meeting Tuesday
at the home of Mrs. Paul Beale.
One new member, Gloria Ornd-
orff, was inducted into the group.
Mrs. Larsen, assistant home
agent, talked on how to give a
good demonstration. Carolyn Um-
bel and Frances Ott gave practice
demonstrations on how to wear
jumpers. Mrs. Beale gave a dem-
onstration on how to make a dish
garden and how to mix and match
clothing. The next meeting will
be held Tuesday, March 22, at
the home of Phyllis Chatlos in

Emmitsburg.
Mrs. Anna M. Wagerman, 714
W. Main St., observed her 88th
birthday Friday.
A birthday party was held at
the home of Mr. and Mrs. Vic-
tor Kelly Sunday in honor of the
eighth birthday of their twin
daughters, Bonnie Jane and
Brenda Jean.

Mrs. Mary C. Fuss quietly ob-
served her 95th birthday on Mon-
day.

HOLD DERANGED
MAN IN KNIFING

PHILADELPHIA (AP)—"It's all
over now. The voices will stop.
He had the Devil in him."

Police quoted these words from
a former mental patient whom
they are holding in the fatal stab-
bing of an inmate at Eastern Pen-
nsylvania Psychiatric Institute.

Dr. William Phillips, medical di-
rector at the institute, said hospi-
tal personnel recognized John
McQuaid, 32, as a former patient
when he entered the institute Mon-
day. But they did not question his
appearance because patients often
return for prescriptions, Phillips
said.

Police said McQuaid admitted
knifing 20-year-old Donald Vaughn
as he lay in bed.

Phillips said the two men had
shared the same ward after Mc-
Quaid was committed in Septem-
ber 1959, but that they never had
showed any open hostility between
them.

Spark Touches Off
Chemical Blasts

PHILADELPHIA (AP)—A chemi-
cal plant along the Delaware Riv-
er was rocked by explosions Mon-
day as chemicals in two storage
buildings blew up.

An employee said a spark from
a fork lift set off the explosions,
which tore the roofs from the two
buildings at the Columbian Car-
bon Co. plant in the Tacony sec-
tion.

Driver Recalls Cause
Richard Pease, 26, said he was
operating a fork lift in a drive-
way between the two storage
buildings. He was lifting and stack-
ing drums when he saw a spark
fly from the fork lift motor and
explode a drum filled with gun-
cotton in the driveway. Pease said
The explosions spread to both
buildings.

No injuries were reported.

Gen. Wedemeyer
In Congress Race

ANNAPOLIS, Md. (AP) — Gen.
Albert C. Wedemeyer, 63, retired
four-star general who command-
ed American forces in China dur-
ing World War II, is a candidate
for Republican nomination to
Congress in Maryland's 6th Dis-

trict in the May 17 primary.
He lives on a farm in Mont-
gomery County, not far from the
nation's capital.

He will be opposed by three
other candidates in the GOP
race for the seat held by Rep.
John R. Foley, a Democrat who
has filed for renomination.

U. S. WOMEN
CAN'T SHOP
FOR HOUSES

By DOROTHY ROE

Associated Press Women's Editor
American women are the
world's best shoppers, except
when they start out to buy a home.
Then they become putty in the
hands of real estate men, archi-
tects and builders, says Erica
Lemie, of Hewlett, Long Island,
N.Y., who has made a business of
correcting the errors of the house
building fraternity.

"An otherwise intelligent woman
seems to lose all sense of values
when she steps into a model
home," says Erica, who in private
life is the wife of Leonard Amster-
dam and the mother of three chil-
dren: Mark, 15, John, 12, and
Cathy, 10. "She forgets her natural
good taste and the basic needs of
her family and gets stuck with
a house just like a thousand others
in the neighborhood."

Those Glass Walls
Erica, dark-eyed, sparkling and
indignant, is a decorator who has
found that her business has to in-
clude a knowledge of architecture
and construction.

"Most of the new homes today
wind up looking like hospitals. And
there is little difference in the floor
plan and beauty of a \$10,000 home
and a \$50,000 one. They have a
mass-produced look, even if they
are built to order," she says.

"The confused homeowner at
last moves in and finds great ex-
pansions of windows and no plain
walls against which furniture can
be placed. The wife tries to get
organized in a kitchen planned by
a man who probably never cooked
a meal. She tries to plan a deco-
rative scheme, and is foiled by all
those glass walls."

Erica advises prospective home
buyers to take the architect's plans
to a decorator before the house is
built, and avoid costly mistakes.
But her most important bit of ad-
vice is as follows:

"Don't let them sell you a house
you don't want."

Ex-Miss America's
Wedding Is Off

DENVER, Colo. (AP) — The
planned June wedding for Mar-
ilyn Vanderbur, Miss America of
1958, is off.

Miss Vanderbur, student at Col-
orado University, announced Mon-
day she had broken her engage-
ment with Gary Nady, 26, a CU
graduate student and former vari-
ety football player.

"She told me she wants to pur-
sue a career in television," Nady
said.

ASKS CHECK ON
HIS OWN SANITY

PITTSBURGH (AP) — John
Butler, awaiting trial on a mur-
der charge, wants to be given a
mental examination to determine
if he was insane when the sheriff
of Northumberland County was
shot to death last May.

The request for the examina-
tion, made Monday caused Judge
Homer Brown to put off Butler's
trial indefinitely. The trial was
slated to start March 14.

The 33-year-old Butler is in
Western State Penitentiary. His
charge with killing Sheriff James
Lauer near Pittsburgh last May
while he was being returned to
the prison from a hearing in
Northumberland County.

Asst. Dist. Atty. Samuel Strauss
opposed the petition filed in Al-
legheny County Criminal Court in
behalf of Butler by Defense Atty.
Marjorie H. Matson.

Strauss contended that Butler
already had been examined by
psychiatrists from Pittsburgh's
Behavior Clinic and that the tests
showed he was sane. A hearing on
the petition was set for March 17.

PROVIDENCE, R. I. (AP) —
Rhode Island Democrats plan a
"92 dinner" in May for Sen.
Theodore Francis Green (D-R.I.).
Tickets will be \$92 a couple. Sen.
John F. Kennedy (D-Mass.), a
candidate for the party's presiden-
tial nomination, will be the speaker.
Proceeds will go to the party.
Green, 92, oldest man ever to
serve in Congress, has announced
he will not seek re-election.

ALBANY, N.Y. (AP) — The
continuing baby boom in New
York State is expected to boost
the population over 19 million by
1970, State Health Commissioner
Herman E. Hilleboe said in his
annual report to Gov. Nelson A.
Rockefeller Monday. He reported
the number of babies born in 1959
—363,124—was the largest ever
and helped bring the state popula-
tion to an estimated 16½ million.

Police quoted Munksgaard as
saying he didn't remember hit-
ting anyone.

PAUL BUTLER
APOLOGIZES
FOR IKE SMEAR

WASHINGTON (AP) — Demo-
cratic National Chairman Paul M.
Butler has apologized for saying
President Eisenhower has "some-
thing to answer for" to the wives
and children of Navy handsmen
killed in a plane crash at Rio de
Janeiro.

Butler told a news conference
Monday he had not meant to im-
ply that the President was "in
any way responsible for the tragic
deaths of the Americans."

The subject came up in a de-
bate Butler had with Sen. Hugh
Scott (R-Pa.) Sunday night at
Worcester, Mass. Butler ques-
tioned the use of part of the Navy
Band during Eisenhower's tour of
South America. The 19 bandmen
killed were en route to Rio to
play for the President and Brazil-
ian officials.

Scolded By Scott

Scott jumped up and told Butler
"this attempt to put blood on the
hands of the President is not
very creditable."

Butler retorted: "I don't put
blood on the hands of the Presi-
dent. We Democrats never at-
tacked Eisenhower with such
cruelty as the Republicans at-
tacked Franklin D. Roosevelt. We
never questioned Eisenhower's
loyalty."

Apparently thinking better of it
the next day, Butler again raised
the subject at a news conference
called to announce plans for some
Democratic party public hearings.

"For any such inference that
may have been drawn," he said,
"I want to apologize to the Presi-
dent and to the American people."

Man, 65, Charged
In Hit-Run Deaths

BRISTOL, Pa. (AP) — Police
Monday night charged a 65-year-
old Philadelphia cable splicer with
involuntary manslaughter on two
hit-and-run counts in the death of
a retired leather worker.

Foss Munksgaard was held in
\$3,000 bail at a hearing before Jus-
tice of the Peace Albert Schultz.
Officers said they traced him
through fragments of broken glass
from his auto several hours after
John Tabor, 67, of Croyston, died
after being struck as he was re-
moving tire chains from his car at
nearby Andalusia.

Police quoted Munksgaard as
saying he didn't remember hit-
ting anyone.

Bolts' Late Rally Fails As Greencastle Captures A-F Playoff Game 62-60

A jump shot from the foul lane by Jim Oberholzer with three seconds remaining in the game gave the Greencastle Blue Devils a thrilling 62-60 win over the Thunderbolts of Littlestown in the championship playoff game of the Adams-Franklin County basketball league Tuesday evening on the Chambersburg High School floor before 1,100 fans.

Greencastle held an 11-point lead, 54-43, going into the final quarter. Coach Jack Bream's Bolts caught fire as they breezed up and down the court grabbing rebounds and dunking one-handed jumps from various spots on the court. Bob Benner rammed through the first two goals, Larry Weikert followed with another jump and Benner came back with a foul to cut the opponents' lead to 54-50.

At the 3:55 mark Greencastle tallied its first goal of the period on a corner jump by Bob Purnell. Benner and Ron Johnston matched outside jumps while Benner retaliated with a tap-in. Wayne Berger went driving in for a lay-up and at 1:35 Eddie Leister dunked a pair of fouls. Greencastle led by a slim 60-58 margin.

With 20 seconds remaining in the contest Gene Appler ripped the cords with a two-handed rebound to knot the count at 60-60. Dick Overcash stepped to the foul line at the four second mark and missed both fouls. A second later Oberholzer grabbed the second missed foul, took one step into the foul lane and swished a jump for the winning goal.

Littlestown had difficulty getting started as they missed a number of shots during the first three periods. The Bolts managed to control the rebounds but to no avail. Berger, Overcash and Purnell got the Blue Devils off to a quick 6-0 lead before Benner landed a foul shot for the Bolts at 5:30. From that point on Littlestown tallied only four goals and trailed 15-9 at the end of the initial stanza.

Both teams were held to a minimum of shots during the second frame and at intermission Greencastle led 31-21. The Blue Devils maintained an 11-point lead throughout the third quarter and were in the driver's seat, 54-43, going into the final stanza.

Benner Gets 19
Both coaches went the distance with their starting lineups, except on one occasion when Greencastle relieved two men in the last seconds of the first half. Bob Benner paced the Bolts' attack with 19 counters on eight goals and three of five fouls. Eddie Leister came in second with 14. Ron Johnston was the scoring leader for Greencastle with 19 tallies while teammates Bob Purnell landed 13 and Dick Overcash netted 12.

Both teams had identical league records of 15-3. Littlestown finished their overall season with a 16-5 slate for one of the best performances in the history of the school. Greencastle was 18-4.

Four Bolt seniors were in uniform for the last time. They were Ed Knipple, Ed Leister, Gary Worley and Fred Duttrier. Larry Unger will be ineligible because of age.

Foreign Minister Pierre Wigny has rejected a French claim to the Belgian Congo after it gets independence June 30.

France claims an 1884 agreement, granting France a priority on the Congo in case of sale or cession of the African territory, is still valid.

Wigny said the 1884 agreement specified the priority right only if Belgium wished to "sell, exchange, lease or lend the territories to a foreign power."

Wheeler, 32-year-old bowling establishment manager, paced the team with 653 as they topped George Bollinger and Bob Weiler of McSherrystown, Pa., whose 12-54 set the pace Sunday.

CALIFORNIA, WEST VIRGINIA CHALK UP WINS

By DON WEISS

Associated Press Sports Writer

California's defending champion Bears and the hustling Mountaineers of West Virginia, one-two in last year's NCAA basketball tournament, are over their first hurdle in their drive for another title showdown.

Defense-minded Cal, a 71-70 winner over West Virginia in the NCAA championship tussle in 1959, routed Idaho State 71-44 Tuesday night while West Virginia, with All-America Jerry West better than ever, whipped Navy 94-86.

Both were among six first-round games played in the sprawling NCAA eliminations in San Francisco, New York and Lexington, Ky. West Virginia's triumph over Navy came in an Eastern regional tripleheader at New York's Madison Square Garden in which powerful New York U. downed Connecticut 78-59 and Duke's Atlantic Coast Conference champs overwhelmed Ivy League king Princeton, 84-60.

Miami Routed
In Lexington, Western Kentucky routed 10th-ranked Miami (Fla.) 107-84—missing the single game NCAA scoring high by one point, and Ohio U., champion of the Mid-American Conference, upset Notre Dame 74-66 in first-round games in the Midwest regional.

California's victory, the Bears' 25th in 26 games this season and 41st in their last 42 starts, came at San Francisco in a first-round game of the Western regional.

All six winners advance to regional semifinals this weekend, when the bulky NCAA field will be chopped to the four survivors for the national semifinals and finals at San Francisco March 18 and 19.

Two games tonight will complete the line-up for the four-team regionals this Friday and Saturday at Charlotte, N.C., Louisville, Manhattan, Kan., and Seattle. New Mexico State, the Border Conference champ, plays Oregon at Corvallis, Ore., with the winner advancing to the Seattle regional. In Manhattan, Kan., Kansas and Kansas State, co-champs of the Big Eight Conference, meet in a one-game playoff to determine the league's NCAA representative at the Manhattan regional.

Weekend Lineup

Here's the way it looks now for Friday and Saturday:

Eastern at Charlotte, N.C.—West Virginia (25-4) vs. NYU (20-3); St. Joseph's (Pa.) (19-5) vs. Duke (16-10). (St. Joseph's first-round bye).

Midwest at Louisville—Ohio U. (17-7) vs. Georgia Tech (21-5); Western Kentucky (20-6) vs. Ohio State (21-3). (Georgia Tech, Ohio State first-round byes).

Midwest at Manhattan, Kan.—Cincinnati (25-1) vs. DePaul (16-6); Texas (18-6) vs. Kansas-Kansas State winner. (Cincinnati, Texas, and Big Eight champ first-round byes).

West at Seattle—California (25-1) vs. Santa Clara (21-8); Utah (25-2) vs. New Mexico State-Oregon winner. (Santa Clara first-round bye).

HAWKS LIKE HOME

By THE ASSOCIATED PRESS

There's no place like home — and no one likes it better than the St. Louis Hawks.

The Hawks, Western Division titlists in the National Basketball Assn., finished their home season Tuesday night with a 122-101 victory over Detroit to run their record to 28-5 at friendly Kiel Auditorium.

The Hawks with a 45-29 mark, played only 17-24 ball on the road so far this season but always had the home court cushion. They have one game remaining, at Cincinnati tonight.

CAROL HEISS MAY ANNOUNCE ENGAGEMENT

By ED CORRIGAN

NEW YORK (AP)—Carol Heiss, the 20-year-old world and Olympic figure skating champion, gets the city's traditional ticker tape parade up Broadway today amid rumors that she may announce her engagement to another figure skater.

There has been talk that Carol, a blonde New York University junior, would marry Hayes Alan Jenkins, the 1956 Olympic figure skating champion and now a lawyer in Akron, Ohio.

But Carol denied — or almost denied — it all.

"I'm not even going steady," she said. "Maybe within the next five years I might become engaged, but not now. I can't be linked romantically with anyone."

She added that she hasn't seen Jenkins since Thanksgiving Day.

Plans To Rest

But if she does become engaged, would it be to Jenkins?

"Not necessarily."

Carol said she has only one definite plan and that's to rest. "I don't even know what I'm going to be doing the day after tomorrow let alone plan for the future," she said. "Usually, I rest a couple of weeks, then start training again for the next competition. This time, though, I'm going to rest a lot longer."

She also has not been toward a professional career, although her coach, Pierre Brunet, said she has received "dozens" of offers from ice shows and movie studios.

"I am tired of having lived out of a suitcase for the last seven weeks," she commented. "I don't think I could stand living out of one for 42 weeks a year. I like to live a normal life and I don't think that's normal."

GRID COACH IS FOUND DEAD

ATHENS, Ga. (AP) — J. B. Whitworth, 51, an assistant football coach at the University of Georgia, is dead of a coronary occlusion.

His body was discovered in his home Monday. The coroner said he had been dead at least two days.

Whitworth, last seen Wednesday, was not missed because he was scheduled to make a recruiting trip last Thursday. University offices were closed Thursday, Friday and Saturday because of severe weather.

Mrs. Whitworth was in New York visiting.

A native of Blytheville, Ark., Whitworth served as assistant coach at Alabama, Louisiana State University and Georgia before head coaching stints at Oklahoma A&M and Alabama. He returned to Georgia a year ago as line coach.

Duke, West Virginia And NYU Win 1st NCAA Round

By JIM KENSIL

NEW YORK (AP) — "Watch Duke," says coach Fred Schaus of West Virginia.

"West Virginia can beat any team in the country," says Vic Bubas, the Duke coach.

"We're anxious to meet West Virginia, and we have the extra incentive this time," says New York University coach Lou Rossini.

NYU Laces Conn.

Schaus, Bubas and Rossini — three of the top young coaches in college basketball — watched their teams roll to first round victories in the NCAA eastern first round tripleheader at Madison Square Garden.

NYU laced Yankee Conference champion Connecticut 78-59 as senior Russ Cunningham ruined the Uconn's pressing zone on long shots. West Virginia, the Southern Conference champion, rode a 34-point performance by All-America Jerry West to a 94-86 triumph over azy, and Duke, rolling with momentum of its Atlantic Coast Conference tournament victory, brushed aside Princeton of the Ivy League 84-60 with Junior Doug Kistler of Wayne, Pa., hitting for 26 points.

Duke (16-10) meets St. Joseph's (Pa.) of the Middle Atlantic Conference in the second game of the eastern regional semifinals at Charlotte, N. C., Friday night.

NYU, an at-large entry, faces West Virginia, a finalist last year, in the opener.

9 Straight For NYU
Streaking NYU (20-3) has won nine straight, and 14 of its last 15. But the loss in the span was 98-69 to West Virginia at Morgantown. The late-season push gained NYU No. 12 ranking in the final Associated Press poll. West Virginia (25-4) was No. 5.

"NYU is naturally improved over when we beat them a month ago, but we are all better in March than we are in February," said Schaus. "At least I hope we are."

Schaus and the West Virginia players are wary of Tom (Satch) Sanders, the 6-6 NYU center whom West rates better than California All-America Carrall Imhoff.

FIREMEN LET
CONTRACT FOR
NEW FIRE HALL

The Arendtsville Fire Department Tuesday evening at a meeting in the social rooms of the Arendtsville Bank let the contract for construction of a new fire house to Ralph Bowling, Gettysburg, at a bid of \$21,999.

Fire Company President Harry McDannell said no date has been set for the start of construction, but it is expected that the work will begin as soon as the weather permits.

The 44 by 68-foot one-story concrete block fire house with a brick front will be constructed on Pearl St. in Arendtsville beside the present Scout Hut.

It will replace a two-story 32 by 22 frame structure on S. High St. which has served as the Arendtsville Fire House since 1912. The company was established in 1911.

Firemen said the amount of equipment owned by the fire company, including two fire trucks, has outgrown the present quarters.

The 215 members of the company plan a number of activities to raise the money needed to pay for the new structure. Saturday evening a turkey and oyster supper will be served in the Arendts-

Death Penalty
Debate Opens

By MORRIE LANDSBERG
SACRAMENTO, Calif. (AP)—A condemned prisoner in San Quentin Prison touched off the debate which opens today in the California Legislature over Gov. Edmund Brown's plea to abolish the death penalty.

Pickets paced before the capital Tuesday with placards denouncing capital punishment. A hunger striker turned up. A rodeo performer rode in on horseback from San Francisco with petitions for repeal.

The legislation, welded to the case of kidnaper Caryl Chessman, seemingly faced defeat by the Senate Judiciary Committee at its first hearing. Only three of the 15 members openly supported the bill. Previous attempts at repeal have failed.

Even so, a long line of witnesses waited to testify.

There were clergymen, college professors, and a former prose-

ville School. A general solicitation of the Arendtsville area is planned for late summer.

Heading up the fire company in addition to the president are Vice President Francis Cole, Secretary Clyde Funt, Financial Secretary Robert Hartzell, Treasurer Sterling Sell, Chief Elliott Schlosser and Assistant Clyde Sell.

LAY RULES ON
ECONOMIC AID

WASHINGTON (AP)—Nine of the free world's wealthier nations begin today to draft a set of informal ground rules aimed to step up economic aid to less developed nations.

Led by the United States, Britain and France, the Allies tackle the problem at a special meeting called to devise better ways to offset the Soviet Union's mounting foreign economic offensive.

Others represented are Canada, West Germany, Belgium, Italy, Portugal and Japan.

Western countries attending the meeting funnel about 34 billion dollars to direct aid to other areas annually. The biggest chunk of this—about 24 billion dollars—comes from the United States.

The four-day conference, bringing together top economic representatives of the nine, is the first concrete step in an allied decision to pour even more money into Asia, the Middle East and Africa in the years ahead.

Defenders of the law contend society is entitled to this protection against murder.

Abolitionists back Brown's position that the death penalty is morally wrong, fails to deter crime, and claims mostly the poor and weak.

Principally, district attorneys and police chiefs constitute the other side.

BUY ORGAN
FOR ORPHANS

TOKYO (AP)—"This is truly a gift from within, one that expressed the warmth and tenderness of the heart. We will long remember you after you have returned home."

Major Shinichi Yoshida, Japanese Salvation Army divisional commander, spoke the words at a special dinner honoring three American Marines, including one from Pennsylvania.

They brought happiness to a Salvation Army orphanage in

Kare, Japan, by purchasing from their \$90 monthly salaries a new \$114 organ to replace an outmoded one and donating it to the orphanage.

The Marines, stationed 60 miles from the orphanage, included Cpl. Martin G. Vanasdale (266 S. Hanover St.) Carlisle, Pa.

The three treated three little girls from the orphanage for Christmas. The six soon became friends. From then on the Marines visited the orphanage on week-ends armed with gifts. Last week they purchased the organ.

SCRIBE SAYS IKE TIRED ON TRIP TO SOUTH

By JAMES MARLOW
WASHINGTON (AP) — President Eisenhower took a physical beating on his South American trip, and showed it at times. He is 69. Is he going to put himself through the wringer again this year with a trip to the Soviet Union perhaps in June?

It's a question which no doubt will get plenty of consideration by his doctors and advisers.

Somebody goofed on this trip. An exploratory party, which preceded Eisenhower to South America to make arrangements, decided it was too hot and strenuous for Mrs. Eisenhower to undertake. So she stayed home.

Reporters, Aides, Bothered
But the schedule worked out for the President was so terribly fast, and in such overpowering heat, that even the reporters and aides who accompanied him felt the fatigue, too.

In December Eisenhower visited Asia, Europe and North Africa. The pace was slower, the heat less intense. He stood up well.

In mid-May he has to go to Geneva for a summit meeting. Any trip to the Soviet Union would have to follow that.

"Tough On Anyone"
Four such trips in seven months time would be tough on anyone, but particularly on a man of Eisenhower's age who in five years has had a heart attack, an intestinal operation and a slight stroke.

Presidential press secretary James C. Hagerty, always anxious to put the best possible light on Eisenhower's activities, insisted Eisenhower was feeling fine throughout his South American journey.

But there were times when the President looked worn out to reporters with him.

Doctors Are Concerned
After Eisenhower's return here Monday, Marvin Arrowsmith, Associated Press White House reporter who has covered Eisenhower since 1953, reported that some of those who accompanied Eisenhower knew for a fact that his doctors were deeply concerned at several points on the tour.

Arrowsmith said it is doubtful the President's doctors would have given a go-ahead for his South American journey if they could have foreseen how it exhausted him at times. A slower pace with more rest would have been recommended, he said.

Altoona Boy Wins Pa. Essay Contest

HARRISBURG (AP) — Michael Orlando, an Altoona Catholic High School student, won the 12th annual hire-the-handicapped essay contest.

The governor's committee on Employment of the Handicapped, sponsor of the contest, said Monday Michael will be given a \$200 bond and an expenses-paid trip to Washington, D. C. In addition, he will compete in a national contest on the subject.

Runners-up in the 72-contestant field were Barbara C. McEvoy, of Morton, Delaware County; Esther Lieber, Donora; Fred Q. Hartman, Port Royal, Mifflin County, and Meyer Hochman, Uniontown.

REJECTS PLEA FROM MOM TO RETAIN CHILD

LUTON, England (AP) — Rejecting a tearful plea from his mother, Leo Moore says he and his wife will go ahead with plans to give their unborn baby to an American couple for adoption.

"We can manage our own affairs," said the 40-year-old bus driver after his mother, Ellen Moore, appealed to him and his wife, Yvonne, to drop their plans.

Mrs. Moore, 62, who made the 150-mile trip here from her home in Manchester, urged the Moores to let her raise the child if they did not want it.

"She came in here crying and making a scene," said Moore. "I'm not a child. I wish my mother had not interfered."

His 39-year-old wife leaves by plane Wednesday for the United States. She expects the baby, her first, in mid-April. It will be adopted by Wilbur and Billie Prescott, a childless North Charleston, S.C., couple.

Don't Want Baby
They are paying Mrs. Moore's travel expenses and will take care of her until the baby is born. Mrs. Moore said earlier "I'm giving the baby away simply because I don't want it."

Disclosure of the adoption plans whipped up a storm of criticism from neighbors and Moore's co-workers.

The Moores said they still think they have made the right decision. In Charleston the Prescotts, who together earn nearly \$10,000 a year at the Navy shipyard, said the criticism is unjustified.

"They can't afford the baby and don't want it," said Mrs. Prescott. "We can afford it and we want it very badly. God never saw fit to give us one of our own."

"I don't know why people are criticizing Mrs. Moore. She sounds like a very unselfish person to me."

Pinball Machines Gambling Devices

PHILADELPHIA (AP)—A Municipal Court judge terms pinball machines as "gambling devices which take hundreds of dollars from boys."

Judge J. Sydney Hoffman made the statement Monday as he adjudged six teen-agers delinquent after they were rounded up and accused of 15 house burglaries here.

Hoffman attacked the pinball machines after one of the boys told him: "I spent the money on pinball machines and sodas."

He was responsible for the death-dealing explosion of a European munitions shipment March 4 in Havana harbor.

Secretary of State Christian A. Herter called this "baseless, erroneous and misleading."

Delivered Personally
Herter delivered the dressing down personally to the Cuban charge d'affaires, Enrique Patterson, and immediately made the text of his remarks available to newsmen.

The Cuban, clearly upset by the 20-minute session in Herter's office, left the State Department hurriedly. He said he would report Herter's statement to Castro without comment.

Herter wound up his statement by saying: "This government finds itself increasingly obliged to question the good faith of your excellency's government with respect to a desire for improved relations between our governments."

In Havana, Cuban TV commentators read Herter's remarks on the air in mocking tones, smiling at certain passages and then adding the editorial comment that the United States is an aggressor.

YOUTH ADMITS 7TH DEATH IN MURDER SPREE

WEST PALM BEACH, Fla. (AP) — Seventeen-year-old Dennis Whitney has admitted his seventh slaying in his coast-to-coast murder spree.

The red-haired boy said Monday he killed two men in Phoenix, Ariz. Previously he had confessed to one.

Detective Warren D. Holmes, a lie detector expert, said "there may be more killings. This boy won't admit anything until confronted with the evidence."

Sheriff John Kirk said Whitney told him he fired a 22 slug into the brain of a "Phoenix bum" in an abandoned bus in a parking lot. Phoenix police said the victim was Ira Lee Hardison, 55, a skid row character.

Apparently he was killed Feb. 21, the same day Whitney killed another Phoenix man, Spencer Frazier, 40, Negro, and stole his car.

Murders Housewife
Whitney, who shot a Hialeah housewife to death last Friday, earlier had killed two Dade (Miami) County gas station attendants and wounded a third in holdups, police said.

The day after his capture he admitted a slaying in Victorville, Calif., the killing of Frazier, and a slaying in Tucson, Ariz. The string of murders started Feb. 12.

In Los Angeles, the boy's father, Ralph Whitney, described Dennis as a quiet boy whose main interest was art.

"I don't know what to think. I have no idea why he would do it," said Whitney, an inspector in the

MAN TOSSES \$13,000 AWAY

HAMTRAMCK, Mich. (AP)—A 47-year-old factory worker left a trail of \$100 bills—most of his life savings—on a ten-block stroll through this Detroit suburb Monday.

Stephen Krysiak calmly tossed \$100 bills to everyone he passed. He tore others into confetti and threw away the scraps. By the time police stopped him Krysiak had distributed or destroyed \$13,000.

Krysiak, a Chrysler worker, said he had \$20,000 when he started.

When police halted his stroll he was clutching about \$5,700 in one hand. In the other—torn to shreds—was another \$500 or \$600.

Krysiak told police he withdrew the money from his safe deposit box because he was worried about it.

His mother, Sophie Krysiak, said her son has been under treatment for a nervous disorder.

WOMAN CLAIMS MAN ROBBED HER OF \$4,500

CAMDEN, N. J. (AP)—The wife of a Camden food company president says a gunman wearing a baseball cap abducted and terrorized her, then fled with \$4,500 she had intended to deposit in a bank.

Mrs. Mary Ryan, 47, the mother of six children who lives at 2926 Clinton St., gave police this account of Tuesday's incident.

She left her husband's firm, the Ryan Fuel Co., about 1:45 p. m. to make a deposit at the drive-in office of the Third National Bank.

While waiting for traffic at an intersection in East Camden, a man opened the right front door of her car and slid onto the seat. He placed a pistol at her side and warned her to drive straight ahead. He told her he was going to force her to drive until nightfall.

Hazy On Route

She was hazy on where she drove but remembered passing through Pennsauken Twp. and Palmyra. Several times she deliberately went through red lights and stop signs to attract attention.

During the five-hour ride the bandit opened Mrs. Ryan's pocketbook and found the money. "I expected peanuts but hit the jackpot," she quoted him as saying.

Finally the gunman forced Mrs. Ryan to drive back to Camden. At Federal Street he ordered her to halt and fled on foot. She drove to her husband's office, parked and then collapsed. When she collapsed she fell on the auto horn, attracting attention.

FAMILY IS UNITED AFTER 20-YEAR BREAK

WILLOUGHBY HILLS, Ohio (AP)—At 4 a. m. Tuesday, the party in the six-room house at 28802 White Road was still noisy, but it was beginning to break up. The two halves of the Armonas family, divided by World War nearly 20 years ago, had been united again under their own roof.

The welcome-home party got a late start. It was about 2:30 a. m. when Police Chief William Thomas escorted the family to the door over which hung a sign with "Welcome" lettered on it in English and Lithuanian.

Fog locked in Cleveland Hopkins Airport Monday night, and the airliner bringing the Armonas family from New York had to land at Akron-Canton airport about midnight. That meant a 40-mile limousine ride over roads still snowy and slick in spots.

Plea Is Answered
Mrs. Barbara Armonas, 51, was the first to enter this house, which she'd dreamed but never seen.

Then came her 24-year-old daughter, Donna, whose persistent efforts to free her mother from behind the Iron Curtain were culminated with a direct appeal to Soviet Premier Nikita Khrushchev when he visited Pittsburgh last September. He told her she would see her mother soon.

John Jr., 20, who was trapped in Europe with his mother by World War II, followed across the threshold, and last came the father of the family, John Armonas, 55.

Inside the house a girl presented a tray with bread, salt and two glasses of wine on it. These symbolized for Mrs. Armonas and John an end to hunger and an abundant, happy life.

Mayor Norman R. Sayle of Willoughby Hills made the welcome speech he had waited in vain at Cleveland Hopkins Airport to deliver.

Then there was a delayed

Christmas celebration, Donna and her father had kept the Christmas tree up and the gifts wrapped for this occasion.

Trapped By War

Among the 50 or more guests who greeted the family and shared in the fun and refreshments were many Lithuanian-speaking friends. This helped mother and son to feel more at ease.

Mrs. Armonas and her son, then a babe in arms, were visiting relatives in Lithuania in 1940 when Soviet troops occupied the Baltic States. They had to stay there because they were born in Lithuania. Armonas and his daughter, natives of the United States, were evacuated by the State Department.

Neither. The only safe way to write love letters is by hand, in sand, and while the tide is coming in.

Dear Plato:
"I am 18 years old. I just graduated from a prep school, where my favorite subject was English composition."

"My love in life is to be a beatnik writer. Have you any good advice for me?"—Ambushus.

Dear Ambushus:
Yes. The first thing for you to do is to throw away your spelling book. It has already begun to cramp your style.

Dear Plato:
"I am concerned about my son. He is 17 years old, hates rock 'n' roll music, never has smoked marijuana or carried a switchblade knife. He doesn't date steady, never wants to borrow the family car, and spends all his spare time working to earn enough money to pay his own way through college."

"What should I do with this paragon of a boy?"—Uneasy.

Dear Uneasy:
This kid sounds dangerous. Obviously, must be hiding something. Beat him until he confesses.

Dear Plato:
"My wife and I don't get along very well. Lately, every time I go on a trip by air, she has insisted that I take out \$125,000 in flight insurance. What do you think of this?"—Just Wondering.

Dear Just Wondering:
I see nothing wrong in this, as long as your wife doesn't insist on packing your suitcase herself.

Walks 11 Miles To Give Blood

PIEDMONT, W. Va., (AP)—Harold Hamilton is the kind of fellow who keeps a promise.

So he walked 11 miles Tuesday to make good on his vow to contribute a pint of blood.

Hamilton lives at Chestnut Grove, Md., and a Red Cross bloodmobile was visiting this area. He explained his car broke down, so he walked.

—Perplexed.
Dear Perplexed: Marry her, son. What else could you be looking for in life?

Dear Plato:
"My friends all joke at me because they say I am getting too fat. But actually I am not fat at all. I just look fat because I wear double-breasted winter underwear to keep me warm. What would you do if you were me?"—Pudge.

Dear Pudge:
Move to Florida, or give your self up to the Smithsonian Institution.

Dear Plato:
"I have an etiquette problem. Is it okay to write love letters with a typewriter on business stationery, or should they be written in pen and ink on personal stationery?"—Proper Soul.

Dear Proper Soul:
Neither. The only safe way to write love letters is by hand, in sand, and while the tide is coming in.

Dear Plato:
"I am 18 years old. I just graduated from a prep school, where my favorite subject was English composition."

"My love in life is to be a beatnik writer. Have you any good advice for me?"—Ambushus.

Dear Ambushus:
Yes. The first thing for you to do is to throw away your spelling book. It has already begun to cramp your style.

ORE. SENATOR DIES TODAY AT 47; HAD CANCER

PORTLAND, Ore. (AP)—Sen. Richard L. Neuberger (D-Ore.), an apparent victor over cancer, died today, eight hours after he suffered a cerebral hemorrhage at his Portland home. He was 47.

He had been in a coma through Tuesday night. Death came at 1:30 a.m. at Good Samaritan Hospital.

It immediately threw the Oregon political picture into confusion. He had filed last week for re-election. Filings for his place in the May 20 primary election must be made by Friday of this week to get on the ballot.

Sudden Reversal
Immediately after Neuberger was stricken it was apparent that his condition was critical. It was a sudden reversal of what he had hoped was an early return to good health.

He became ill in the summer of 1958. That August he underwent an operation for cancer. Five months later he was smiling broadly as he told a news con-

ference he regarded himself as a cured cancer patient.

He said there was no recurrence of cancer but he failed to shake off colds and other virus infections and then suffered an attack of shingles.

In January he came home to recuperate. He said he was getting better and last week he filed for re-election.

So strong was his support in Oregon that the Republicans had groomed no one of stature to oppose him.

Neuberger was elected in 1954.

ADVERTISE IN THE TIMES

Rip Van Winkle Couldn't Sleep with Nagging Backache

Now! You can get the fast relief you need from nagging backache, headache and muscular aches and pains that often cause restless nights and miserable tired-out feelings. When these discomforts come on with over-exertion or stress and strain — you want relief — want it fast! Another disturbance may be mild bladder irritation following wrong food and drink — often setting up a restless uncomfortable feeling. Doan's Pills work fast in 3 separate ways: 1. by speedily pain-relieving action to ease torment of nagging backache, headache, muscular aches and pains. 2. by soothing effect on bladder irritation. 3. by mild diuretic action tending to increase output of the 15 miles of kidney tubes. Enjoy a good night's sleep and the same happy relief millions have for over 60 years. New, large size saves money. Get Doan's Pills today!
